

1968 Mooney M20C N6814N

The Mooney M20C is available to rent when the following criteria are met:

- Renter must be a pilot in good standing with a minimum of 500 total flight hours.
- Of the 500 required hours, 50 hours must be in a retractable gear aircraft, and 10 of those hours must be in a Mooney M20C.

If you don't have 50 hours in a retractable gear aircraft:

- you can work with one of our CFI's to complete 25 hours of dual instruction in the Mooney M20C, successful completion of which will earn you an endorsement to rent the Mooney.

If you have 50 hours of retractable time, but not 10 hours in make and model:

- you can work with one of our CFI's to complete 10 hours of dual instruction in the Mooney M20C, successful completion of which will earn an endorsement to rent the Mooney.

Anyone interested in pursuing a commercial license can contact us for details on how we can accommodate you.
